MARDI GRAS BALL AT THE ARLINGTON

SPECIAL ATTENTION GIVEN THIS SOCIAL FEATURE TO LOCAL AND VISITING SOCIETY.

The Decorations and Favors Have Been Brought Here from the Home of Mardi Gras at New Orleans.

The week's big social feature will be tonight's Mardi Gras ball at the Arlington.

In reality the 147 annual special function will doubtless prove one of the smartest successes of the entire season. The Mardi Gras ball is one of the Spa's time-honored features, and, season in and season out, always proves a veritable triumph for the management.

The decorations will not only be costly and appropriate, but all that's new and novel in Mardi Gras splendor will be offered for society's inspection. Manager Corrington has sent to both Paris and New Orleans for the lion's share of the decorations and favors and the belles and beaux can be relied upon voting the Mardi Gras ball one of the most wonderful ever given at the Arlington, or at any other resort hotel in the land.

The different parlors, the spacious rotunda, the gay grillroom and the promenades, in addition to the ballroom, will be gayly bedecked in holiday attire, and, although last week's St. Valentine's ball was a brilliant success, it bids fair to be completely eclipsed by tonight's smart affair.

Prof. Richard Barton's orchestra will render a most fitting, as well as most tuneful, program. The guests at the other fashionable hotels, as well as the resident smart set, are cordially invited to attend and can be relied upon turning out en masse. The early reservations in the grill indicate that Capt. Farrell will be required to park the spacious promenade with tables from end to end. Dancing at 9:30 o'clock.

E. B. REEVES ANNOUNCES.

Is Candidate For Constable, Subject to the Action of Democratic Primary.

E. B. Reeves makes announcement, this morning of his candidacy for constable of Hot Springs township, subject to the action of the democratic primary.

Mr. Reeves, known among his friends as "Like" has served the city in the capacity of jailor and patrolman, and therein has had the experience that qualifies him for the office he seeks.

He was reared in Garland county, and has a wide circle of friends and acquaintances in both city and township, and is promised a most liberal support in his aspirations for office.

In party affairs he has been consistent in his support of the party, and makes his claim for office subject to the action of the democratic voters in the primary of March 25. He will make a full and complete canvass of the city and township in his campaign for the office.

JACK GOODINE SAYS

Why go to the seashore for sea food, when you can be served with oysters on the half shell; deviled crabs; shrimp and fried smelts, at the EMPIRE, 825 Central avenue. Next door to the Princess Theatre. Also Mexican chili, spaghetti Italian. And, say, try my 15-cent Merchant's lunch. Eat, drink and be merry, and see the pictures.

How Is Your Boiler?

It has been stated that a man's stomach is his boiler, his body is his engine and his mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do you good. They strengthen and invigorate the stomach and enable it to do its work naturally. Many very remarkable cures of stomach troubles have been effected by them. For sale by all dealers.
